

Neogrip

Circular permanent magnetic chucks for grinding and turning

- Highest holding force with twin magnetic system, powered by Neodymium magnets
- Balanced design, allowing high speed machining
- Smooth self-lubricating switching
- Also available: auxiliary top plates

Code	Diameter	Height	Pitch Diameter	Mounting-holes	Weight[kg]
15.00.100	100	50	86	3 x M6	3
15.00.130	130	50	120	4 x M6	5
15.00.150	150	50	137	4 x M8	7
